## PMDS RELEASE

**Dear Maritime Community, Clients and Surveyors,**

Today, Panama Maritime Documentation Services and Panama Flag Registry have been mentioned in a digital communication whereas our Organization and Surveyors of the Dalian City have been linked as service providers of inspections and certification to vessels and companies linked to Democratic People's of Korea (DPRK).

Is of our the interest of Panama Maritime Group, to reiterate to all the Maritime Community in compliance with the instructions and guidelines of the Maritime Administrations that we represent, to assure that the vessels and companies comply with the established in United Nation Resolutions UNSCR 2371, 2375 and 2397 related to control of vessels and companies utilized to assist Democratic People's of Korea (DPRK).

The information published has been investigated previously with Panama Maritime Authority and formally submitted to the United Nations. If is necessary to conduct a new investigation to the mentioned parties in this publication, our organization will be able to provide information required in compliance with our Corporate Policy related to Democratic People's of Korea (DPRK).
